

DigiSenderTV™ SmartConnect™

SUPERSMART™ TV UPGRADE - TV BAR w/ WEBCAM & MICROPHONE

Model: DGTVSC60A

As with the SmartMini+™, the DigiSenderTV™ SmartConnect™ has all the features of the SmartMedia™. This time however it features a built-in webcam and microphone to make connecting and sharing with your friends and family easier than ever.

The SmartConnect™ has been designed to be used with LCD TV's and as such, includes a TV mounting bracket that allows it to be attached to the top of your TV.

Features

- Built-in webcam and mic makes connecting with friends and family easier than ever.
- Watch videos, films, or catch up on something using online streaming services such as BBC iPlayer, YouTube, etc.
- Play music stored on an SD card, through your TV.
- Upload up to 20,000 songs to the cloud and listen to them any time by using Google Play Music.
- Access over 50,000 online and FM radio stations from around the globe.
- Download 100,000's of free apps and games.
- Surf the net and check your emails, news and weather.
- Full HD 1080p Video Output.
- Android 4.1 Operating System.
