

DigiSenderTV™ SmartMedia™

SUPERSMART™ TV UPGRADE - SET TOP BOX

Model: DGTVSM20

With the DigiSenderTV™ SmartMedia™ you can upgrade your existing TV to SUPERSMART™. This goes a step beyond mere smart TV functionality by providing you with an environment in which you have easy access to all the most popular Video on Demand and Catch Up services.

As if that wasn't enough, the SmartMedia™ also provides access to over 50,000 online and FM radio stations from around the globe and 100,000's of apps and games from the Google Play store.

Features

- Connect with friends and family via your favourite social networking and communication apps.
- Watch videos, films, or catch up on something using online streaming services such as BBC iPlayer, YouTube, etc.
- Play music stored on an SD card, through your TV.
- Upload up to 20,000 songs to the cloud and listen to them any time by using Google Play Music.
- Download 100,000's of free apps and games.
- Surf the net and check your emails, news and weather.
- Full HD 1080p Video Output.
- Android 4.0.4 Operating System.
