

DigiSender® X2

TWIN INPUT 2.4GHz WIRELESS AV SENDER
Model: DG200

A twin input AV sender suitable for transmitting your Satellite, Freewiew, DVD, VCR or other equipment to another TV in your home. With additional outputs on the receiver you can connect to a TV and VCR or Hi-Fi simultaneously.

Automatically switches between two connected sources when one is switched off. For example, when your DVD comes to an end it can switch to your Satellite receiver automatically.
